Subject: Chat with Karen Lancaster
From: Karen Lancaster <lancaster.karen@gmail.com>
To: barriticus@gmail.com

Karen: Sweetie, would you please really get that drug dealer to stop calling and texting you? Maybe if you tell him the FBI is monitoring your phone. I'm not kidding, I really don't want his number on a phone that's registered under my name. If he doesn't stop, then I may call him myself.
me: good idea
Karen: Then text him and tell him that, really, okay?
